

Mygrate Pre-Assessment Form

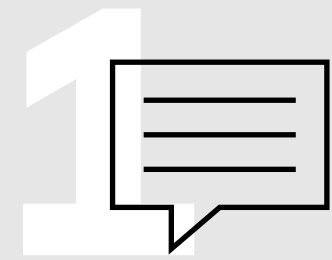

This pre-assessment is designed to help our Agents assess your situation.

It will also give you information about how Australian Immigration works.

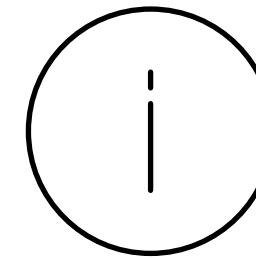

After you submit it, our agents will contact you with possible solutions.

Please take the time to complete this form. It will take about 30 minutes to complete. Despite this seems like a long time for a form, you will find really useful information. it is nothing compared to hours of research you would have to do on your own.

Things you need to know

This section will go through the usual legal stuff.

Some of the Australian Visas require a mandatory, satisfactory skills assessment from the relevant assessing authority for your occupation.

Not every Visa is points-based and not every Visa requires a skills assessment. However, this form will consider all the options in order to cover each possibility.

Few more information before we start

Relocating to Australia is a big move.

It should not be done without thinking carefully about all the aspects involved and any possible consequences.

It has many moving parts and it is a long journey. Literally... It also involves a financial effort that can be underestimated and easily reach thousands of dollars.

However, **Australia has many opportunities and a great quality of living** for those who are determined.

It is not easy, but it can be done.

Mygrate is here to inform you, not to discourage you.

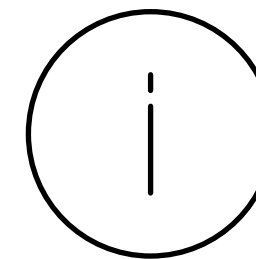

Being honest and transparent about real chances to get an Australian Visa is paramount for us. Information is the key. Happy journey.

Thank you

About Migration Agents

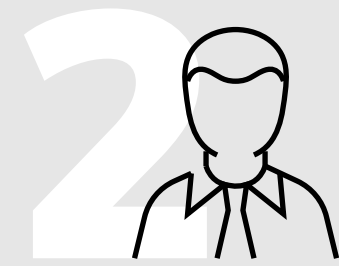

A Registered Migration Agent (RMA) is someone registered with the **Office of the Migration Agents Registration Authority** (MARA) who can provide advice on Visa requirements, help lodge a Visa application and deal with the department on your behalf.

You are responsible for the accuracy of information and supporting documentation provided as part of your application, even if you use a registered migration agent.

About Migration Agents

a.
Interesting question.

A Migration Agent may charge a fee for a first consultation to discuss a possible path to Australia. They are experts in Immigration and could save you a lot of time AND money.

This fee does not include the costs of the Visa application process and other services. (for example: skills recognition/assessment process, qualification assessments, document translations, etc.).

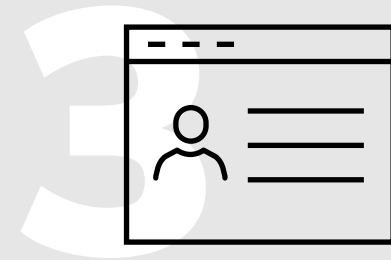

Would you like to receive a quote even from agents whom don't offer free first consultation?

YES

NO
