No, I don't have any Visa

English language proficiency test in the last 36 months:

IELTS

Score obtained:

COMPETENT ENGLISH: Passport from UK, USA, Ireland, Canada or NZ; or IELTS 6+ in each component; or PTE Academic 50+ in each component; or Cambridge (CAE) 169+ in each component; or TOEFL iBT 12 in Listening, 13 Reading, 21 Writing, 18 Speaking.

How would you consider your level of English?:

Qualifications

Level of qualifications:

A Bachelor/Masters degree from an Australian educational institution or a Bachelor qualification, from another educational institution that is of a recognised standard.

Qualification name:

Bachelor of electrical engineering

Obtained in:

2011

Are the qualifications related to the occupation:

Yes

Australia Study Requirements: No

Specialist Education Qualification:

No

Other:

Accredited in a community language **Partner Skill Qualifications**

Additional Information

Comments:

Sure, using a placeholder like lorem ipsum is tempting with its convenience - but ultimately it will hold you back. For starters, using a placeholder perpetuates the idea that content is secondary.
